Matt, Theresa, Craig & Aaron:

I moved MLT to 3:30pm today, to account for conflicting schedules. I asked Craig Tanner to sit in on MLTs while we are in transition to a new detailer for Science and Visitor Services. We will focus on the Monument Review Data Calls, Workforce Planning, prep for the Livestock Grazing DEIS Briefing and prep for the Kaibab-Paiute Consultation meeting. Also...remember that we have a new conference bridge line:

(b) (5) CIP [REDACTED]

Thanks
